

SOLIDWORKS Visualize Standard 2017 Licensing

NEW Serial Number(s) will be required for SOLIDWORKS Visualize Standard 2017

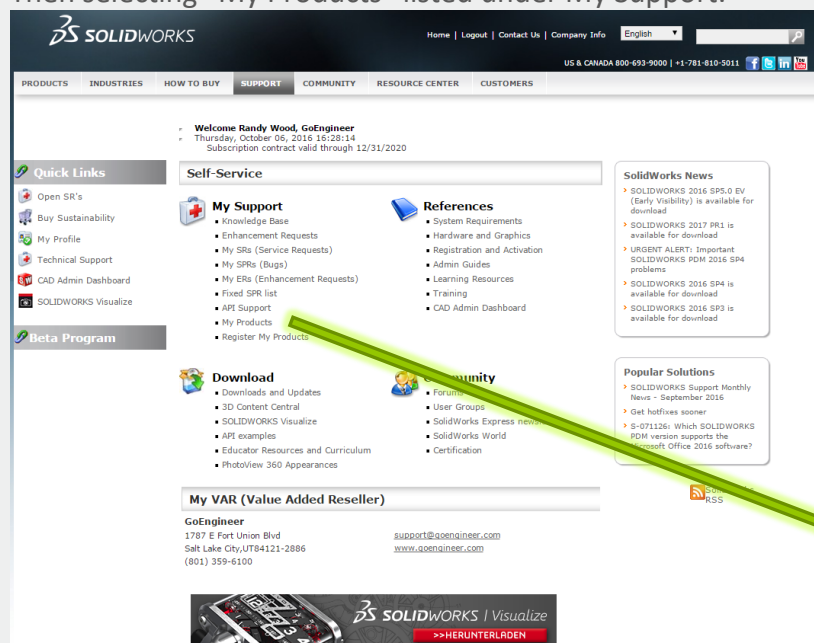

For SOLIDWORKS Visualize Standard 2017 and beyond, an additional serial number is required to activate the complimentary seat of Visualize Standard that is included with each SOLIDWORKS CAD Professional and Premium license on active Subscription.

Where do I get my Visualize Serial Number(s)?

By logging into your Customer Portal Account @...

<https://customerportal.solidworks.com>

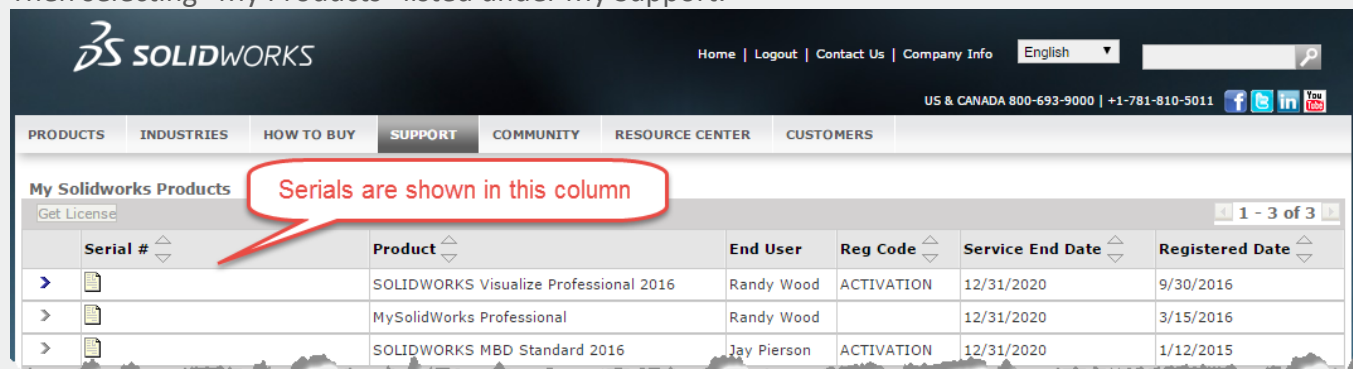

Then selecting “My Products” listed under My Support.

The screenshot shows the SolidWorks Customer Portal interface. The 'My Support' section is highlighted, and a green arrow points from the 'My Products' link to a callout box on the right.

- 
- My Support**
- Knowledge Base
 - Enhancement Requests
 - My SRs (Service Requests)
 - My SPRs (Bugs)
 - My ERs (Enhancement Requests)
 - Fixed SPR list
 - API Support
 - **My Products**
 - Register My Products

Then selecting “My Products” listed under My Support.

The screenshot shows the 'My Solidworks Products' table. A red callout box highlights the 'Serial #' column.

Serial #	Product	End User	Reg Code	Service End Date	Registered Date
>	SOLIDWORKS Visualize Professional 2016	Randy Wood	ACTIVATION	12/31/2020	9/30/2016
>	MySolidWorks Professional	Randy Wood		12/31/2020	3/15/2016
>	SOLIDWORKS MBD Standard 2016	Jay Pierson	ACTIVATION	12/31/2020	1/12/2015

What if I don't have a Customer Portal Account or my products are not listed?

Please select the link below to navigate to the **FREE** GoEngineer Knowledge Base for information on **creating** your own customer portal account and **registering** your serial number.
